**NC Division Society of American Foresters
2010 Summer Meeting, June 2-4, 2010
Little River Golf & Resort, Carthage, North Carolina**

The upcoming NC Division Society of American Foresters Summer Meeting will be held June 2-4 at the Little River Golf & Resort. The theme of the meeting is "Forest Land Management in an Age of Increasing Urbanization." See <http://www.apsaf.org/nc/meetings/2010/>

Please accept this invitation to sponsor at the NC Division Summer meeting. Forestry professionals from all fields including, state, federal, private industry, TIMOs, REITs, consultants and more will be present for the meeting. The meeting agenda will provide a snapshot of North Carolina's increasingly fragmented landscape and urbanization trends we may face in the future. Speakers will share their views on strategies to continue active forest management despite the pressures of development. The "summer" meeting is always a casual and fun affair that mixes business with pleasure, providing exhibitors with plenty of interaction.

Sponsorship includes one complimentary registration to the entire meeting, including the Thursday night BBQ Social. Exhibitor/Sponsor Combination includes two registrations.
