

Navigating Current Challenges in Forestry

The 2024 APSAF Summer Meeting features speakers who will touch on some of the challenges we face in the current forest industry and markets. These challenges impact the decisions on forest management and forest health.

Field Tour

The field tour will be hosted by Mark Kiser. We will visit his property to see different management techniques for timber and wildlife. After the field tour, we will host a social at Mark's cabin. If you plan to attend the field tour and/or social be sure to check those boxes on the registration form so we can plan according.

For the Field Tour we will meet at the Hampton Inn at 2:30 pm and carpool to the property. Please wear attire appropriate for the field.

Social Location: 2753 Cannon Swamp Road Newberry, SC 29108.
